On 10/16, at approximately 9:30 a.m., officers responded to a shooting at a condominium complex on the 900 block of Walnut Ave. Officers arrived within minutes and found both involved parties still on scene. While investigating, officers learned the suspect and victim were familiar with each other through a mutual acquaintance. The suspect showed up unannounced and demanded entry into the victim's condo, then chased the victim through the complex while shooting at the victim with a handgun. The shots did not strike the victim. After the shots were fired, the suspect and the victim got into a physical altercation. Officers arrived and took the suspect into custody without incident, and recovered the involved firearm at the scene.
