Dear Property Owner,

The purpose of this letter is to inform you of the opportunity to enter a partnership with Fremont Police Department to combat trespassing and loitering violations on your property.

Fremont Police Department will enforce trespassing laws on privately owned property. As part of routine patrol, officers will look for suspected violators and make contact with those persons to determine their purpose for being on the property. Persons having legitimate business on the property will not have action taken against them. Persons who do not have legitimate business to enter the property will be subject to one of the actions listed below.

1. The officer may warn the violator and direct the violator to immediately leave the property.
2. The officer may issue a citation, alleging a criminal offense, requiring the violator to appear in court.
3. The officer may take the violator into physical custody.

Property Owners are responsible for obtaining “no trespassing” signs and posting them on the property or parcel at every entrance. Signs must be at least 17” x 22” with lettering at least 1” in height. Sections 602.1, 602(M) and 602(O) of the penal code and sections 9.50.080 (A) & (B) of the Fremont Municipal Code must be listed on the signs. Postings should be made at all access points onto the property. Fremont Police Department does not endorse businesses, but signs may be customized and purchased from Staples, Signs.com, Safetysign.com, SmartSign, and other vendors.

This agreement will be valid for six (6) months from the date of signing, or until the property owner/agent gives written notice to the Fremont Police Department of their wish to rescind the agreement, or the property changes ownership, whichever event occurs first. Please register this agreement with the Fremont Police Department’s **Public Affairs Unit, located at 2000 Stevenson Blvd, CA 94538. You must call (510) 790-6740 to make an appointment.**

If a Fremont Police Officer does not take one of the actions listed above, you may contact the on-duty Watch Commander by calling (510) 790-6800, option 3. Ask for the Watch Commander or Zone Sergeant. Please provide the date and time when possible, and the name of the officer.
