November 3, 2024, Fatal Traffic Collision

On November 3, 2024, at approximately 5:40 a.m., the Fremont Police Department received a 9-1-1 call reporting an injury collision involving a vehicle and a pedestrian in the area of Mission Boulevard (State Route 262) and Mohave Drive. Fremont Police Officers responded and located the pedestrian down in the roadway. Fremont Fire Department soon arrived on scene and provided medical care to the injured pedestrian. The pedestrian was transported to an area hospital, but, unfortunately, the pedestrian succumbed to their injuries. The deceased pedestrian has not yet been identified.

The Fremont Police Department Traffic Investigations Unit responded and assumed the collision investigation. The preliminary investigation indicates a passenger vehicle was traveling westbound on Mission Boulevard, approaching Mohave Drive, as a pedestrian was crossing Mission Boulevard. The passenger vehicle struck the pedestrian in a westbound lane of Mission Boulevard. The pedestrian was not utilizing a marked crosswalk at the time of the collision.

The cause of the collision is still under investigation, but drug or alcohol impairment does not appear to be a factor. The driver remained at the scene and is fully cooperating with the investigation.

This is Fremont's twelfth fatal traffic collision in 2024. Six (6) have occurred on Fremont roadways, four (4) have occurred on state routes, and two (2) on private property.
