

# BUILDING BRIDGES

6TH GRADE OUTREACH PROGRAM

## TEACHERS VIEWING GUIDE TO BUILDING BRIDGES

The Fremont Police Department's virtual Building Bridges program is best viewed over the course of three days. Sessions 1 and 2 provide students with several safety messages. Session 3, gives students the opportunity to learn about equipment used by police officers. Throughout all three sessions, students will learn about various job duties within the police department.

After completing the program, if you would like to schedule an opportunity for your students to virtually speak with an officer and answer questions, email [fremontpolice@fremont.gov](mailto:fremontpolice@fremont.gov) to make arrangements.
